

# Tú y Ud.

Write out a conversation between two people who meet for the first time. **One person is addresses informally and the other person is addressed formally.** Start by setting the scene for the conversation. Who are the two people meeting? Under what circumstances do they meet? Where is the conversation taking place? How old are they? What part of the world are they from? Be creative and have fun!

Set the scene (write 2-3 sentences in English):
